Project Management | Change Management | Stakeholder Engagement | Cross-Functional Collaboration | Problem-Solving  
Leadership | Stakeholder Communication | Cross-Cultural Communication | Conflict Resolution | Adaptability | Training

## TECHNICAL SKILLS

**Programming Languages:** Python, SQL

**Predictive Modeling & Statistical Analysis:** Linear Regression, Logistic Regression, Clustering Analysis

**Machine Learning:** Random Forest, XGBoost

**Automation & Workflow Tools:** Power Automate, Microsoft Lists, SharePoint

**Productivity & Collaboration:** Microsoft Excel, Power BI, Tableau, PowerPoint, Microsoft Teams, AI Prompting Tools

## PROFESSIONAL EXPERIENCE

INTERN, GLOBAL TRADE COMPLIANCE | **Schneider Electric** | Raleigh, NC

May 2025 – January 2026

- Designed a change management plan supporting adoption of a new automated jurisdiction-determination process, minimizing operational disruption during rollout
- Reviewed and maintained compliance documentation in SharePoint to align with current U.S. export laws and sanctions, improving accessibility and reducing regulatory risk
- Cleaned and transformed large datasets to ensure consistency and flag outliers for compliance review, while contributing to global compliance and U.S. Nexus training programs

BARISTA, CUSTOMER SERVICE | **Starbucks** | Burlington, NC

January 2025 – August 2025

- Delivered consistent, high-quality customer service in a fast-paced retail environment while upholding product quality and food safety standards during high-volume shifts

HEAD MANAGER, MANAGEMENT | **Capital Futsal** | Wake Forest, NC

June 2024 – August 2024

- Managed daily operations of a 250-player program, overseeing 12 coaches per session and ensuring safe, fully equipped courts for all participants
- Executed training curriculum and coordinated all communications with coaches, parents, and players to maintain program consistency and engagement throughout the season

## LEADERSHIP EXPERIENCE

SECRETARY & TEAM CAPTAIN, MANAGEMENT | **Elon University Esports Club** | Elon, NC

February 2023 – May 2026

- Managed club documentation, accurately recording and distributing meeting minutes each session to track decisions, assign action items, and monitor follow-up responsibilities
- Developed team strategies and led scrimmages and tournaments while evaluating players to assign roles for optimal performance and competitive readiness

## ANALYTICAL PROJECT EXPERIENCE

**US Nexus Wizard/Jurisdiction Determination Tool:** Built an automated decision-support tool using Microsoft Lists and Power Automate to help employees worldwide determine whether a transaction fell under U.S. export jurisdiction. Condensed complex, extraterritorial export control regulations, factoring in product content, origin, manufacturer, and destination, into structured decision logic, standardizing determinations across global business units and reducing reliance on compliance staff for routine reviews.
